

King's Daughters Greetings! Excellence

January 2019

We had a very fruitful and exciting 2018!

To all Kings Daughters Partners, friends and colleagues.

I greet you in the wonderful NAME OF JESUS. Much has happened!!!! Just a few highlights:

January—It was for the second year that I was asked by **Juig Magazine to write a monthly article** for 2018. It gave great exposure to myself and Kings Daughters Ministry in South Africa and I give God all the Glory for opening this door.

March—Selected women leaders got together in Durbanville 5-8th March in the Cape, and **launched HopeSA**.

Prayer Conference in Shelley Beach, 20-22 April.

Teaching the congregation on the importance of prayer. It was a powerful weekend and we give God all the Glory.

April—I was invited to an **Indian Church** on the 28th April in Chatsworth KZN to minister the Word and was well received. Many were blessed by my ministry.

June—On the 6th June, **Susan Strydom Home for the aged** in Pretoria Central opened their door to us for min-

istry. Aunt Stella Eilard were there too. We have been privileged to minister the Word of God to all the residents. The Kings Daughter Board has a passion for old people. We made a difference in their lives praying with them and giving them refreshments, cold drinks, and placing a gift bag in their hands. We have been doing it for the last couple of years by going to different old age homes to make a difference.

Missionaries of the Year!

July—On the 2nd of July we **flew to the USA** to attend a Conference where my husband, Pastor Ron, and I were given an award as “the **Missionaries of the Year**” by an organization called The Fellowship. This organization was started by Gordon Lindsay and was previously known as The Full Gospel Business Fellowship. For the first time this award was given to Missionaries outside the USA. We received it very humbly giving God all the Glory.

We itinerated in the USA for three months.

Pastor Ron and I visited many churches where we preached the Word and promoted missions and made a difference for the Kingdom of God in the lives of many people. It was truly a time of enjoying the favour of God and man. Words can't explain what God did and who He connected us with during our visit to the USA. We give God all the Glory for what He has done.

August—On the 24-26th August, Deneze and Drienie in my absence represented Kings Daughters at a **Women's Camp in Fochville, South Africa**. I am very proud of them for the way they blessed the woman and the good report I received.

We had to cut our visit short in the USA by 2 weeks when news reached us on the 13th October that **my mom whom I loved so much went to be with the Lord**.

October—On the 24th October we also **visited "Ons Tuis" Home for the aged**. We ministered the Word, sang Christmas carols, and served refreshments that Kings Daughters supplied. Many of these people are lonely and long for attention. Our hugs and prayers made them feel loved and special.

Drienie Jacobs—one of our board members—taught several children **EE3 Children's Training** in a local primary school. She taught them how to reach their friends and classmates for Jesus. I was the speaker at their "graduation" Well done Drienie.

Kings Daughters Breakfast

November—On the 3rd of November we had a very successful **Kings Daughters Breakfast** with a full house. The Theme was "Love One Another". The Lord used me to give a powerful word that touched the hearts of those present.

Aunt Stella Eilard was also on the program to share what was on her heart. She is a spiritual mother and mentor to many women in South Africa. We were blessed by her presence and what she shared moved many to tears.

Uganda Women's Conference

November/December—On the 30th November to 2nd December, Nerina Smith and I were the keynote speakers at the *AFM Women's Conference in Uganda*. We also had to help with the expenses of this conference towards food and traveling costs. Every woman was given a gift bag with much joy and appreciation. I also bought Bibles from the Bible Society in Uganda with funds raised in South Africa. I was deeply touched by the gratitude and appreciation of the ladies who received these Bibles. Many received the precious word of God kneeling with tears freely flowing. There is a hunger for God's Word. Kings Daughters has already embarked on a new fund raising endeavor to distribute more Bibles this year.

On 9th December I represented Pastor Ron my husband and **preached and dedicated a new church building in Mooinoi**, South Africa for Pastor David Khoza—a spiritual son to us.

Through the year we **gathered toys to give to the less privileged children** in Pretoria, South Africa. As a Kings Daughter Board we also thought of this idea knowing that there are many children in need of getting blessed at Christmas time. Pastor Ivy Khoza a board member helped me to sort out these toys in different boxes. The gifts brought much joy to the hearts of many children.

Rejoice together with us, dear friends and partners. Your faithful prayers and generous support have made this possible.

Yours in His service,

Rina Kinnear
