December 2016

The Fresh Oil Flowed!

It was an amazing time in God's presence as we enjoyed breakfast and the fellowship, were delighted with the dancers, and were enriched with Lyndie McCauley as our great speaker!

Lyndie shared that we need fresh oil from Heaven, every day to be uncommon women. God created the woman to be a bonus, a gift, a benefit, and a blessing to man (Gen. 2:22). But in everyone's garden, there is a snake. To overcome this enemy temptor, we need fresh oil! These are the steps she gave to receive this daily blessing:

1. **Be whole in your spirit, soul, and body.** Be whole in your spirit—be born again. Be whole in your soul—your mind, will, and emotions. If your soul is not whole, there are consequences in your body. In your body
2. **Come to Jesus.** Be like Martha's sister Mary and be a worshipper.
3. **Know that you are not alone, the Holy Spirit is with you all the time.** You must come to know Him. Invite Him like you invited Jesus into your heart. She wants you to realize that you are perfect for God to use!

The result of her message as 2 women were saved, more than 20 women received the baptism with the Holy Spirit, and others received ministry for healing. It was a wonderful time receiving fresh oil from God's throne!

May you have a blessed Christmas
